

# BIG NC TENNIS OFFICIAL STRINGING GUIDE

## Intermediate/Advanced Juniors Ages 8-12

(We proudly feature Diadem as our house brand with a few proven Solinco and synthetic gut alternatives when you want something different)

Growing arms come first, power and comfort are non-negotiable, recommendations for players who are interested in playing serious tennis but still need to grow before full poly or co-poly.

Recommendation	Why we love it for you	Tension	How long it stays fresh / Colors	Big NC Cost / non-Member Cost
Diadem Dark Matter 17G Black Multifilament 	Diadem Dark Matter is a great all-around multifilament. Super plush comfort, lively power, and good spin for a soft string. Feels like a premium synthetic gut on steroids – reduces arm pain	50-56 lbs	30 - 45 hours  Colors: Black	\$25 / \$35
Diadem SG Ultra 16G(Synthetic Gut) 	Premium synthetic gut with a difference. Micro-textured outer wrap gives noticeably more bites and durability than classic synthetic guts.  The perfect “I want easy power and spin without going poly” string	52-58 lbs	30 – 45 hours  Colors: Natural Black	\$25 / \$30

<p>Diadem Evolution 17G/18G (Monofilament)</p> 	<p>The softest true monofilament on the market. Polyamide-based (not co-poly), so it delivers real spin and control but feels almost like a multifilament.</p> <p>Ideal first “poly-like” string for intermediates or anyone with elbow concerns.</p>	<p>50-58 lbs</p>	<p>25 – 40 hours</p> <p>Colors: Nat</p>	<p>\$25 / \$30</p>
<p>Diadem Impulse 17G (Multifilament)</p> 	<p>Our softest, most powerful multifilament, gut-like plushness at a fraction of the price. Deep pocketing, huge trampoline effect, and outstanding vibration dampening.</p> <p>The #1 choice for beginners, juniors 8–14, seniors, and anyone recovering from tennis elbow.</p>	<p>50-58 lbs</p>	<p>35-50 Hours</p>	<p>\$25 - / \$35</p>
